

Dragon Racing Fuels Now Fueling Future Champions at Frank Hawley's Drag Racing School

Frank Hawley's Drag Racing School is pleased to announce a new partnership with Dragon Racing Fuels and the designation for the Lafayette, Indiana fuel company as the Official Fuel of the School.

Dragon Racing Fuels offers a complete line of race fuels for drag racing as well as other forms of motorsports and the marine performance arena. Dragon's eight Tarragon fuel blends range from Tarragon 100 to Tarragon 118 NOS and were all designed by legendary race fuel formulator Jim Meiser.

"At Dragon Racing Fuels we are always looking to partner with the leaders in all aspects of racing and we are extremely excited to be the official fuel of Frank Hawley's Drag Racing School," said Chuck Newton of Dragon Racing Fuels. "We look forward to a long time partnership providing top quality, consistent fuels for peak performance every single time down the track."

Founded in 1985 by Two-Time NHRA Nitro Funny Car World Champion Frank Hawley, Frank Hawley's Drag Racing School offers driver training courses year-round all across the country. Classes range from the Super Class to Top Alcohol Funny Car and Dragster along with Pro Stock Bike and much more in which students can earn their drag racing competition license upon completion of any of the courses.

"We aim to give each and every student at Frank Hawley's Drag Racing School very consistent race cars in which to train, so the quality of parts that we utilize is extremely important to us, right down to the fuel we use," said school founder and instructor Frank Hawley. "With Dragon's commitment to high standards in their manufacturing along with the cutting edge technology in each of their blends, we are very pleased to choose Dragon Racing Fuels. We will be using their products in all our school cars, from Dragon's Tarragon 110 to their Racing Methanol."

As a part of the new relationship, Dragon Racing Fuels will also offer a 10% discount on any of their grades of fuel to all graduates of the Frank Hawley's Drag Racing School.
