

Greetings from the Frank Hawley Group!

It's been a great fall at the Drag School. Our drivers have been blessed with beautiful blue skies, low humidity and temperatures in the 70's, which is after all, typical Florida weather this time of year.

We are getting set for our annual Christmas/New Year Holiday class which takes place December 27 and 28. This is a great time to visit Florida, drive some race cars and enjoy relief from the cold weather. In the past it has also been an opportunity for Dads and Moms to visit the class together with the kids during Christmas break.

If you're interested in giving your son, daughter, husband or wife the 'gift of speed' for this class or any other time of year we'll put together a nice package for 'under the Christmas tree'!

Here are a few of our recent Alcohol grads and newest 200 MPH Plus Club members from the last several weeks. TD- Erin Lerch and her Dad Gary; TAD-Tet from the United Kingdom; TAFC-Michelle Osborn from Western Australia; TS-Ed McDevitt; TAD-Kirk Wolf; and Bill Zinger and family who came for a few days and drove Super Comp Dragsters and the TAD in what we unofficially called the "Zinger Nationals".

I look forward to seeing you soon!

Frank Hawley
