

Summit Motorsports Park Class and Other School News!

Our Norwalk, OH trip to Summit Motorsports Park last week was a great success. We met a lot of new folks, licensed many new drivers and we all had a great time, despite mother nature.

As usual, Bill Bader Jr., his family and staff were great hosts. I want to give a personal thanks to Kurt Johnson who helped us deal with some weather issues and gave us a great racing surface each day!

Our class was the week before NMRA

Nationals and we had several experienced racers attend the program with their own race cars. Donnie Bowles, Susan McClenaghan and Don Belles, Sr. each were there with their Mustangs looking for improvement prior to the big Norwalk event.

Nick Moss who earned the Summit Motorsports Park “Perfect Light Award” was on hand and licensed in one of our super comp dragsters!

Coming up is what you might call our “Western Swing” as we head off to Bandimere Speedway in Denver, CO and then on to Pacific Raceways in Kent, WA. Both of these facilities and surrounding communities are beautiful.

So if you folks live in the area or can make the trip, please join us for an exciting, inspirational and educational experience at Frank Hawley’s Drag Racing School.
