

## Frank Hawley Speaking Engagements!

How about having a two-time World Champion speak at your next meeting?

Audiences agree, Frank's lectures have provided them with some of the most insightful and useful information they have ever received. Many say "life changing."

Delivered in a straight forward and humorous style, Frank explains how our minds are programmed at an unconscious level and how this programming controls our behavior and performance. It's possible to 'reboot' this mind set for better performance.

Using stories and experiences from his 30-year career as one of NHRA's top 50 drivers of all time, Frank can help
